MEMORANDUM FOR THE RECORD

SUBJECT: DCID 6/3

In response to Tufaro's memorandum of 8 January concerning DCID 6/3 and after discussions with Mr. [REDACTED] I advised Tufaro that the current action to revise the DCIDs does not include DCID 6/3, except in part. I told him that further Agency action is to be instituted concerning manuals before DCID 6/3 is replaced, and I mentioned also that the planned work on manuals is intended to be accomplished by 1 June. Thus, there is no new draft of DCID 6/3. Tufaro accepted this and indeed I made no commitment to revive this matter to him in June or when the efforts for a new manual are completed.
